

ECOLINC VCE BIOLOGY PROFESSIONAL LEARNING DAY FRIDAY 12 DECEMBER 2008

9.00am registration, tea & coffee, 9.30am start – 3.30pm

A workshop for all new and experienced VCE Biology teachers conducted at the DEECD award winning

**Ecolinc Science and Technology Innovations Centre
17 – 23 Labilliere Street, Bacchus Marsh 3340**

This practical workshop will update aspects of the Units 1-4 Biology study design. All participants will take an introductory tour of Ecolinc's ecologically sustainably designed (ESD) facility and storm water wetland prior to completing a range of hands-on activities including the use of micropropagation, photosynthesis, transpiration and microscope techniques to investigate 'Cells in action', 'Functioning organisms', 'Adaptations of organisms', 'Dynamic ecosystems', 'Molecules of Life', 'Detecting and Responding' and 'Heredity'.

Total cost including morning tea, lunch, afternoon tea and a comprehensive Ecolinc curriculum kit is **\$55.00** per day.

All participants will receive a VIT approved certificate of course completion.

To secure your place, please fax your completed registration form to Ecolinc (03) 5367 0174. A confirmation and tax invoice will then be sent to you.

Payment should be finalized by Friday 5 December 2008.

Cheques should be made out to Bacchus Marsh College ABN: 189 276 982 90 and mailed to Ecolinc, PO Box 329 Bacchus Marsh Vic 3340
