WHAT'S HAPPENING AT ECOLINC 17-23 LABILLIERE ST, BACCHUS MARSH.

Monday 14th August: Ecolinc 'Future Earth' Student Activities

4pm – 5.30pm

Primary school aged students and their families are invited to come along to Ecolinc to participate in a range of activities designed around the theme 'Future Earth'.

- Create a mini earth terrarium or biojar.
- Make an earth collage and other craft activities.
- Climate activities – Van Der Graaf.
- Solar car/Wind turbines and more.....

Wednesday 16th August: The Aark Challenge Day

9am – 3.00pm

Year 7 & 8 students from selected schools will participate in a student challenge day where students are required to solve the problem of which animals are to be saved when a cataclysmic climate change event occurs.
